Week 4&5 Re-Cap:

Welcome to Session Two of our 2010 Junior Sailing Program!

Last week our 420 and Opti Race Teams competed at the Edgartown Regatta, with many sailors placing in the top-10 within their fleets!

The Mates class started sailing alone and went outside the Cut, while the Seamen Class has mastered upwind sailing. The Ensigns have a large new group and have learned capsizing in addition to other fun activities.
