The Start at the 2010 Wianno Opti Regatta

### Here's What's Happened!

Our race teams have been busy with the Opti's coming back from New England's in Newport, and our 420's competing at the C.J. Buckley Team Race after a highly competitive weekend at Buzzards Bay Regatta. The junior sailors enjoyed a lot of big breeze last week and had a chance to perfect their seamanship skills such as rowing and cordage. Coach David also provided a kite-boarding demo for some of our sailors!
